## You're in.

Welcome to the Stop-Starting-Over Sprint.

This is a 14-day implementation sprint designed to help you **stop restarting** and install the **Micro-Correction Loop** so your effort starts paying off.

## Sprint Dates

**Starts:** Monday, Feb 2, 2026

**Ends:** Sunday, Feb 15, 2026

## What happens next (read this once):

3. You'll begin shipping and micro-correcting on **Day 1**.

## Where access will arrive

- Access + instructions are delivered via the email you used at checkout.
- If you used PayPal with a different email than your main inbox, check both.

## If you don't see the Welcome email
